Oggetto: REQUEST OF APPROVAL

TO: FINA BUREAU MEMBERS

Dear friends:

With regard to the Mail Vote forwarded to you on 19 May 2017 regarding the establishment of Electoral Regulations and an Electoral Commission, I express my appreciation to the FINA Bureau members who sent responses, which resulted in a majority approving the two proposals.

Nevertheless, and In order to ensure cordiality and respect on the eve of the FINA World Championships, the FINA General Congress, and the FINA Technical Congresses, I ask your approval to postpone the implementation of the Electoral Regulations and the Electoral Commission in order to be considered after the election of the new Bureau.

In the interim, the FINA Code of Ethics (approved on 29 November 2014) establishes the principles of ethical conduct applicable to the FINA Family, and the FINA Constitution establishes electoral regulations, primarily in C15 and C17.

I ask your continued support in promoting Fair Play, collaboration, respect, and friendship, all of which have been integral to the extraordinary successes and achievements of FINA over many years.

Warmest regards, your friend,

Dr. Julio Cesar Maglione
FINA President
